Exhibitor Terms and Conditions

March 4, 2009 • Connecticut Convention Center • Hartford, CT

1. Each booth is required to be open and manned at all times specified in this prospectus. Exhibit hours for this show are from 9:30am-2:30pm on March 4.
2. All exhibits must be set up between 12:00 pm and 7:00pm on March 3 so that they are ready to open promptly at 9:30am on March 4. Exceptions can be made with prior arrangement through *ADVANCE* personnel. See the front of this application for contact information.
3. *ADVANCE* can not be held responsible for any loss or damage to property including fire, flood, public enemy, riot, acts of God, weather or civil commotion. If the event cannot be held for any reason, *ADVANCE* will make every effort to reschedule and/or assign the application and payment for this event to the next comparable event in your region or to another event of your choice.
4. As a professional courtesy to fellow exhibitors, no exhibits should be dismantled before 2:30pm on March 4. Penalty fees and/or a loss of priority points may apply to exhibitors who tear down before the show closes.
5. Due to space limitations and fire marshal safety regulations, booth sharing may be prohibited at any time at the discretion of *ADVANCE*. In the event that booth sharing is deemed acceptable, an individual booth may be shared by no more than 2 individual facilities from the same Health System. Additionally we ask that you not over-staff your booth or allow members of your team to block aisles or common areas. Please limit your staff to a maximum of 4 representatives per 6 x 10, 8 x 10, or 10 x 10 space. *ADVANCE* reserves the right to police aisles and remove extra staff members or display obstructions when necessary.
6. Exhibitors must have at least one booth representative present to staff their booth at all times. Should only one rep be available for the entire show, please contact an *ADVANCE* staff member prior to the show or on-site and we will be happy to provide necessary break assistance.
7. Exhibitors should not assign or sublet a portion of their space to others not directly related to or affiliated with their own organization.
8. Exhibitor entertainment functions should not conflict with scheduled show events. Exhibitors must alert *ADVANCE* to any functions planned for this show prior to set up on March 3. *ADVANCE* reserves the right to disallow any function that is deemed inappropriate with regard to the goals of this show or any event that intentionally impedes traffic flow on the show floor.
9. Exhibitors are required to display professional conduct on the show floor at all times. Any exhibitor found to be engaging in conduct or conversation that can be considered overtly disparaging or offensive to other exhibitors and/or *ADVANCE* may be asked to leave the show floor.
10. Prizes, awards, drawings, raffles and giveaways are acceptable to help build booth traffic. Arrangements can also be made with *ADVANCE* staff to announce contest winners on the show floor. In fairness to all attendees, we ask that winners only be announced during the designated break/prize drawing times indicated on page 3 of this insert.
11. Small food items can be given away on the show floor, however food machines will not be permitted in the exhibit hall without prior approval.
12. Noise levels must be kept reasonable at all times and should never interfere with the interview process or objectives of your fellow exhibitors.
13. As a professional courtesy, **no solicitation** is allowed in the exhibit hall at this event. The exhibit hall has been reserved for the express purpose of filling open positions via face-to-face recruiting of nursing and allied health professionals. There will be no soliciting of vendors or attendees in the exhibit hall for purposes outside this focus. Those in violation will be stopped immediately. Vendors may conduct business from their own booth if sought out directly by other exhibitors. Please note that arrangements can be made for vendor distribution of materials to exhibitors or attendees via contracted sponsorship prior to this event. Please contact your sales representative for details.
14. Exhibitors should allow their booth to be photographed by *ADVANCE* and/or the local press, but not by competitors. All photographs taken on the show floor, by *ADVANCE* personnel are the property of *ADVANCE* and may be used for future promotional materials or in applicable *ADVANCE* publications.
15. Exhibitors are welcome to transport their own booth materials into the exhibit hall if they can be **hand-carried in one trip**. If you are shipping to the show and/or have a large amount of exhibit materials that you cannot carry in one trip, you will need to use the services of the decorator to transport your materials into the exhibit hall. **Drayage costs will apply for this service and will be charged to you by the decorator**. Please refer to the drayage worksheet that you will receive in your exhibitor services kit to approximate drayage costs. *ADVANCE* is not responsible for shipping or drayage costs that are incurred by exhibitors.
16. If exhibitors pre-arrange to have their materials shipped directly to the show site by an outside carrier (FedEx, UPS, Airborne, Pilot, etc.) or if materials are too large to be easily managed or carried in by hand in one trip, then materials will need to be delivered to your booth by the decorator and drayage costs will be incurred by the exhibitor.

ADVANCE is not responsible for drayage charges incurred for any reason. Problems or disputes should be addressed directly with the decorator, the designated exhibit services vendor.

ADVANCE is not responsible for any item(s) lost or damaged in shipping. Please contact your shipping company directly for information about your shipment.
17. Each exhibitor is responsible for obtaining a certificate of insurance for its display. *ADVANCE* will not ask for proof of insurance unless necessary.
